## TAFT IN THE TALL TIMBER

The President will Spend the Day  
Amid the Famous Big Trees  
of Mariposa

El Portal, Cal., Oct. 8.—In the wilderness of the western slope of the Sierras, away from crowds and the necessity of speechmaking, President Taft traveled by stage coach yesterday toward the Mariposa grove of big trees. Altogether the president had eight hours' stage riding before he reached Wawona, where he spent the night at a lonely tavern on the outskirts of the Yosemite valley, before starting today to penetrate the Mariposa grove.

President Taft and party left the terminal station of the Yosemite Valley railroad at 7 a. m. The coaches traveled steadily until 11:30 o'clock, when a stop was made at the little settlement of Chinquapin. Luncheon was served in the forest there, and after a short rest the journey toward Wawona was resumed, the scheduled time of arrival there being about 5 o'clock.

## WORDS TO FREEZE THE SOUL

"Your son has consumption. His case is hopeless." These appalling words were spoken to Geo. E. Blevens, a leading merchant of Springfield, N. C., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for my boy." Infallible for coughs and colds, its safest, surest cure of desperate lung diseases on earth. 50c. and \$1 at all druggists. Guarantee satisfaction. Trial bottle free.

## GEORGIA WILL SOON BE AWFULLY GOOD

Macon, Oct. 8.—Steps to abolish the sale of near beer and other soft drinks in Georgia will soon be taken by the members of the W. C. T. U., according to announcement made yesterday at the second day's session of the state convention.

## BOTH BOYS SAVED

Louis Boon, a leading merchant of Norway, Mich., writes: "Three bottles of Foley's Honey and Tar absolutely cured my boy of a severe cough, and a neighbor's boy, who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar." Nothing else is as safe and certain of results. Sold by all druggists.

## DUDLEY BUCK DEAD

Famous Musician, who Composed the Great Centennial Cantata  
West Orange, N. J., Oct. 8.—Dudley Buck, the organist and composer, died suddenly at the home of his son in this city yesterday.

Mr. Buck was 70 years of age. He composed the cantata sung by eight hundred voices at the opening of the Centennial at Philadelphia, and became noted as a composer of pastoral music. A widow, two sons and a daughter survive him.

## "I'D RATHER DIE, DOCTOR, THAN HAVE MY FEET CUT OFF."

Miss Belle Hayercraft, who is one of the charming teachers in the Red-dick school, spent last Saturday and Sunday with her old friend and schoolmate, Mrs. J. E. Turnipseed.

Our town was pretty well represented in Ocala Tuesday by Messrs. W. E. and E. J. Nix, J. E. Turnipseed and wife, B. C. Webb, C. I. Grace, J. E. Spencer and wife and daughter, G. W. Ray and C. H. Shaw and Mrs. Geo. W. Stephens.

The enrollment of our school having grown so large that the trustees had to go to Ocala Tuesday to ask for another assistant teacher, which was granted. Miss Ausley, of Martel, is our assistant.

Mrs. Clifford Livingston spent the day at Boonville yesterday. Mrs. Beulah Carrington returned from Williston last Friday, where she represented our Sunday School at the Sunday School and Epworth League at that place last week. She says she had a most delightful time.

The many friends of Mr. Rubie Smith will be glad to know he is able to get out of the Marion County Hospital after having spent several weeks there with a broken thigh.

SWEPT OVER NIAGARA  
This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster currents. Nature's warnings are kind. The dull pain of ache in the back warns you the kidneys need attention if you would escape fatal maladies—dropsy, diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c. a bottle at all druggists.

## DECORATIVE ART

For high grade work of all kinds of painting, paperhanging and decorating, at the highest prices (not cheap John work) with a full and efficient corps of decorators, call at McIver & MacKay's.

FOR SALE—A splendid Wellington upright piano, nearly new, perfect order. \$110, easy terms. Several used organs for almost nothing. Write or phone me, 328. I have no store. A. M. Lansford.

C. R. Kuiper, the jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." For sale by all druggists.

## DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound of imperfect hearing, and then it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

## OFFICIAL RECOGNITION OF THE ARCTIC EXPLORER

## TURNING DOWN THE TURKS

Division of Naturalization Decides that Asiatics Are Not Eligible to Citizenship

Laporte, Ind., Oct. 8.—Nearly 500 Turks in Laporte and Michigan City were surprised at the receipt of a letter from County Clerk Link to the effect that the United States government will oppose the efforts of the Turks to become citizens of the United States.

The Turks are employed in various factories in Laporte and Michigan City and in the past they have been voted by the political leaders according to the dictates of the bosses. The surprise, therefore extends also to the political leaders, who count each election on just so many votes from the Turks.

The letter came from Richard K. Campbell, chief of the division of naturalization at Washington, who writes to Mr. Link:

"Referring to declaration of intention No. 661 in the name of Charles Said Abraham, made in your court, it is noted that the declarant is a Turk, and it is desired to inform you that in the opinion of this office Asiatics are ineligible to American citizenship under the provisions of section 2159 of the revised statutes. The declarant should be informed to this effect and that in the event he subsequently petitions for naturalization this office will oppose the granting thereof."

## MONUMENT ON KING'S MOUNTAIN

Where American Backwoodsmen Defeated British Regulars 129 Years Ago

Blackburg, S. C., Oct. 8.—With eloquent oratory and an imposing military display the monument erected to commemorate the battle of King's Mountain was dedicated yesterday on the battlefield near this place. The governors of North and South Carolina and Tennessee, members of Congress and many others prominent in official life, as well as a large concourse of citizens, were present. Soldiers of the regular army and of the national guard of three states were present as a tribute to the men who defeated the British forces in the wilderness of King's mountain on Oct. 7, 1780, and thereby turned the tide of the revolution in favor of the American colonists.

At the battle of King's Mountain the British forces consisted of Col. Ferguson's regiment of regular troops and several hundred Tories, about 1,000 men in all. The Americans numbered about 900, all forest riflemen, led by Colonel Sevier. The entire British force was killed or captured.

## Poor, Foolish Woman!

Think of her attempting to make ice cream in the old-fashioned way! With Jell-O Ice Cream Powder she can make the most delicious ice cream in ten minutes, freezing and all, at a cost of about one cent a dish—and never go near the stove. Your grocer will tell you all about it, or you can get a book from the General Food Co., Le Roy, N. Y., if you will write for it. Grocers sell Jell-O Ice Cream Powder, two packages for 75 cents.

## ICE! ICE!

Buy Ice From Red Wagons

They say, but if you will examine carefully the ice which melts so rapidly you will note that there seems to be holes in it, that the center is what is called "snow ice," which, being porous, allows it to melt quickly.

## "Crystal Ice"

The kind we turn out is as clear and perfect as it is possible to make ice, and is the most economical ice to use. Ask the man on the Red Wagon to stop and see you.
